
Architecture Cover Letter with Experience Example

Dear [Recipient's Name],

With 10 years of architectural experience, I have led teams, overseen complex projects, and consistently met client expectations. I am now seeking new challenges as [Position Name] at [Company Name].

Your company's reputation for excellence aligns with my career goals. My diverse portfolio, attached, showcases my adaptability and proficiency in various architectural domains.

I look forward to potentially bringing my leadership and creativity to [Company Name]. Thank you for considering my application.

Sincerely,

[Your Name]
