# Casual Retail Cover Letter Example

Hey [Hiring Manager's Name],

Hope you're doing well! I came across the opening at [Company Name], and I just had to shoot my shot. I've been a fan of your store for ages, often finding myself recommending pieces to friends or helping fellow shoppers find the right fit - all unofficially, of course!

Retail is more than just a job to me; it's about connecting with people and helping them feel great about their choices. I'd love to bring my energy, passion, and knack for customer interactions to your team. Let's chat?

Cheers,

[Your Name]
