Dear [Hiring Partner/Manager's Name],

I am a second-year law student at [Your Law School's Name], and I am writing to express my keen interest in the summer associate position at [Law Firm/Company's Name]. With a top 10% rank in my class and active involvement in [specific law societies or moot court competitions], I am excited to apply my academic learnings in a real-world setting.

My coursework in [specific areas, e.g., "property law and torts"] and my participation in [specific extracurriculars, e.g., "the national moot court competition"] have equipped me with a solid foundation that I am eager to build upon under your firm's esteemed guidance.

I look forward to the possibility of contributing as an intern and learning from the best in the industry.

Best wishes,

[Your Name]
