Dear [Recipient's Name],

I am writing to apply for the Data Analyst Internship at [Company Name], which I found on [where you found the internship posting]. As a [Your Major] major at [University Name], I have developed a strong foundation in data analysis, statistics, and programming, making me well-prepared for this opportunity.

During my academic projects, I have worked with real-world datasets, utilizing tools like R and Excel to interpret, analyze, and visualize data. My ability to work in a team, coupled with my eagerness to learn and apply new concepts, would enable me to thrive in this internship.

I am particularly impressed by [Company Name]'s work in [mention specific project or area you admire]. This aligns with my interest in [specific interest related to data analysis], and I believe I can contribute fresh perspectives and insights.

I have enclosed my resume for your review, and I am available to discuss my qualifications in more detail. Thank you for considering my application.

Sincerely,

[Your Full Name]
