
Entry Level Architecture Cover Letter Example

Dear [Recipient's Name],

As a recent graduate from [University], with a degree in Architecture, I am eager to start my career at [Company Name]. I have gained hands-on experience through internships, honing skills in CAD design, site analysis, and team collaboration.

I believe my fresh perspective and dedication to learning can contribute to [Company Name]'s innovative projects. I look forward to the opportunity to prove myself as an asset to your talented team.

Sincerely,

[Your Name]
