# Finance Cover Letter Internship

Dear [Hiring Manager's Name],

As a student at [Your University], I have been immersed in financial theories and practices. Eager to complement this foundation with real-world experience, I am applying for the finance internship at [Company Name].

My academic achievements, especially in courses like [specific course, e.g., "Advanced Financial Analysis"], have provided me with a solid grounding. I am keen to learn, contribute, and further my understanding under [Company Name]'s esteemed guidance.

Hoping to explore this exciting opportunity further.

Regards,

[Your Name]
