Dear [Recipient's Name],

As a student majoring in [Your Major] at [University Name], I am writing to apply for the Student Data Analyst position at [Company Name]. My academic pursuits and hands-on experience in data analysis have equipped me with the skills necessary to excel in this role.

I have participated in various university projects, utilizing Python, R, and Excel to analyze data, draw insights, and present findings. My ability to collaborate with team members, combined with my attention to detail, has been instrumental in successfully completing these projects.

I am drawn to [Company Name] for its commitment to [specific area or project that attracts you], and I believe that my student perspective would add a unique dimension to your team.

Enclosed is my resume for your review. I look forward to discussing how my academic experience and passion for data can contribute to your organization.

Thank you for considering my application.

Sincerely,
