
Undergraduate Architecture Cover Letter Example

Dear [Recipient's Name],

As an undergraduate student majoring in Architecture at [University Name], I am eager to apply for the Intern Architect position at [Company Name]. My academic pursuits have cultivated a deep understanding of architectural concepts, 3D modeling, and design innovation.

Your firm's commitment to mentoring young architects excites me, and I believe that working under your expert guidance would be an unparalleled learning experience.

Thank you for considering my application. I look forward to potentially growing and contributing at [Company Name].

Sincerely,

[Your Name]
