

# Mother as a Guiding Star

In your arms, I found my home  
A love that's pure, a love that's known  
Your gentle touch, your soothing voice  
Guided me through every choice  
Like a flower in the springtime sun  
You nurtured me until I'd won  
The battles of my heart and mind  
With wisdom that was one of a kind

Your laughter like a melody  
Filled our home with harmony  
And when the storms would rage outside  
You were my shelter, my guide

Through tears and triumphs, you stood strong  
A beacon in the darkest long  
And though time may pass us by  
Your love will never say goodbye

For you are more than just my mom  
You're the light when days are glum

So here's to you, my guiding star  
I'll love you always, near or far.
