

# WEDDING POEMS FOR THE COUPLE

Today we start our journey anew,  
A path for just us two.  
With every step, hand in hand,  
Together we'll always stand.

Two souls have found their destined place,  
In each other's tender embrace.  
Our hearts beat as one, side by side,  
Together in life's wondrous ride.

In your eyes, I've found my home,  
A place where I am never alone.  
Our love is a treasure, pure and true,  
A bond that will forever renew.

From this day forward, come what may,  
Our love will grow stronger every day.  
With you, I've found my perfect mate,  
Together, we'll embrace our fate.
