

2 Minute Self Introduction Speech in School

A 2-minute self-introduction speech in school should be brief yet comprehensive, giving a clear picture of who you are, what your interests are, and your goals. Here's how you can structure it, explained step-by-step:

1. Opening with a Greeting:

Start by greeting everyone politely. Example:

"Good morning/afternoon everyone," or "Hello, teachers and fellow students."

2. State Your Name and Grade:

Introduce yourself by stating your name and the grade you're in. Example:

"My name is [Your Name], and I'm in [Your Grade]."

3. Share Academic Interests:

Briefly talk about the subjects you enjoy or excel in. Example:

"I'm passionate about science and mathematics, and I enjoy exploring new concepts in these subjects."

4. Mention Achievements or Projects:

Share one or two notable academic achievements or projects to highlight your strengths. Example:

"Recently, I participated in a math competition where I placed first in my region."

5. Discuss Extracurricular Activities:

Mention any clubs, sports, or hobbies that reflect your interests outside of academics. Example:

"Besides academics, I'm a member of the school's basketball team and enjoy playing the piano."

6. State Your Goals:

Talk about a goal you have for the school year. Example:

"This year, I'm focused on improving my leadership skills by joining the student council."

7. Closing with a Thank You:

End your speech by thanking the audience. Example:

"Thank you for giving me the opportunity to introduce myself. I look forward to a great year ahead."
