

# 1 Minute Speech for Students

---

Good morning everyone,

Respected teachers and my dear friends,

Today, I want to remind you of the power within each of us to achieve greatness. Life as a student is filled with opportunities to dream big and work hard. Remember, success doesn't come overnight; it comes through perseverance and learning from failure.

Never be afraid to make mistakes because every mistake is a lesson in disguise. Believe in yourself, stay focused, and never give up. Along the way, show kindness and gratitude to those who support you—your teachers, parents, and friends.

As Mahatma Gandhi said, "Be the change you wish to see in the world." Start today, work towards your goals, and make your dreams a reality.

Thank you!
