Internship Coordinator  
Global Tech Solutions  
123 Innovation Drive  
Chicago, IL 60602

Dear Internship Coordinator,

I am thrilled to apply for the Marketing Intern position at Global Tech Solutions. As a junior majoring in Marketing at the University of Illinois, I am eager to bring my academic knowledge and passion for creative problem-solving to your innovative team.

During my coursework, I developed a strong foundation in market research, brand strategy, and digital marketing tools like Google Analytics. I recently led a group project to design a social media campaign, which increased engagement by 25% for a local non-profit organization. This experience enhanced my skills in collaboration, data analysis, and effective communication—qualities I am eager to contribute during my internship.

Global Tech Solutions' reputation for fostering creativity and innovation resonates with my career goals. I am excited about the opportunity to gain hands-on experience in a dynamic environment and contribute to impactful projects.

I would love to discuss how my skills and enthusiasm align with the goals of Global Tech Solutions. Thank you for considering my application. I am available for an interview at your earliest convenience and can be reached at (987) 654-3210 or emmawatson@email.com.

Sincerely,  
Emma Watson
