December 30, 2024

To Whom It May Concern,

This letter serves as formal documentation to confirm that I, Dr. Emily Carter, have been informed of the guardianship arrangement for Lucas Thompson, born on March 10, 2012. The temporary guardianship of Lucas Thompson has been granted to Sarah Johnson, residing at 789 Elm Street, Seattle, WA, 98102, by his parent, Mark Thompson. This arrangement is effective from January 1, 2025, to December 31, 2025.

As Lucas Thompson's primary care physician, I confirm that Sarah Johnson is authorized to make medical decisions on his behalf during the guardianship period. This includes consenting to medical treatments, scheduling appointments, obtaining medical records, and addressing any emergencies or health-related issues that may arise.

Lucas Thompson has no known pre-existing conditions that would interfere with routine medical care. His current vaccination records, medical history, and ongoing treatments (if any) will be made available to Sarah Johnson as needed to ensure his well-being.

Should further verification or assistance be required, please feel free to contact me at (555) 123-4567 or via email at emilycarter@healthfirstmedical.com.

Sincerely,

Dr. Emily Carter
