Dear Jenna,

I hope this letter finds you smiling and doing great! I've been thinking about our last coffee date and how much I enjoyed our conversation. It's always a blast catching up with you and sharing laughs.

Last weekend, I stumbled upon a new cafe downtown, and it instantly reminded me of you—it has that cozy charm and a bookshelf corner just like the one you love! We should definitely check it out next time.

Also, I watched a fantastic movie last weekend that I think you'd enjoy. How about a movie night soon? I'll bring the popcorn and snacks!

Miss our chats and can't wait to hang out again. Let me know when you're free!

Warmest regards,

Mia
