On January 25, 2025, students of Class 6 from Sunshine School enjoyed a fun-filled picnic at Sunshine Park. The event was part of the school's annual outing, aimed at giving students a break from their regular studies and offering them an opportunity to enjoy nature and spend time with friends.

Departure and Activities

The picnic began early in the morning when the school bus arrived at the park, filled with excited students and teachers. Upon arrival, students were divided into groups to participate in various fun activities. Some students played games like sack races, tug-of-war, and three-legged races, while others enjoyed playing frisbee and cricket.

One of the highlights of the picnic was a treasure hunt, where students worked in teams to solve clues and find hidden objects in the park. The winning team was rewarded with small prizes, and everyone had a great time cheering for their friends.

Picnic Lunch

At noon, the students gathered in the park's picnic area to enjoy a delicious lunch. Homemade sandwiches, snacks, and juice were served, and everyone sat on the grass, sharing food and stories. It was a time for students to relax and enjoy the warm sunshine.

Conclusion

The picnic ended with a group photo, capturing the joyful faces of all the students and teachers. "It was a day to remember," said Aanya, a Class 6 student. The teachers expressed their happiness at seeing the students enjoying themselves, and everyone returned to school with smiles on their faces, already looking forward to next year's picnic.
