**Terms and Conditions**

This quotation is valid for 30 days from the issue date. The purchase includes an 8-year or 120,000-mile warranty on the battery and drivetrain. Charging station installation costs may vary based on the customer's location. Delivery time for the vehicle is estimated at 4–6 weeks from the date of order confirmation.

The customer is responsible for ensuring access to compatible charging infrastructure. Maintenance costs are minimal but recommended annually for optimal performance. All financial incentives, such as tax credits or rebates, are subject to the customer's eligibility and the policies in place at the time of purchase.

Modifications to the vehicle post-purchase may void certain warranties. The dealer is not liable for delays caused by factors outside its control, such as supply chain disruptions.
