

# Short Fundraising Speech

---

## **Introduction**

Good evening, everyone! It's wonderful to see so many community members here tonight. I'm Chris, a volunteer at the Green Spaces Initiative.

## **Need Statement**

Our beloved Central Park has seen better days, and it's time for a change. The playground equipment is worn, the walking paths are crumbling, and the picnic areas need a serious makeover.

## **Call to Action**

We're here to raise \$50,000 to transform our park into a vibrant and safe place where our children can play and our families can gather. Your donations tonight will help refurbish the playground, repair the paths, and revitalize the greenery.

## **Conclusion**

Every dollar counts, and together, we can make a lasting impact on our community. Let's give back to the place that has given us so many cherished memories!
