

Solicitor Training Record

Employee Information

Name: Sarah Bennett

Position: Junior Solicitor

Department: Legal Services

Training Date

Date: March 3, 2025

Training Provider

Provider: Legal Excellence Training Group

Training Session Title

Title: Contract Law Update 2025

Objectives of Training

Goals: This training was designed to update solicitors on the latest developments and changes in contract law. The focus was on new legislation, recent case law, and best practices in drafting and negotiating contracts.

Skills Acquired

Details: Sarah enhanced her understanding of the nuances in contract law, including amendments in consumer contract regulations and digital contract formats. She developed skills in analyzing contractual clauses and identifying potential legal issues before they arise.

Duration of Training

Duration: The workshop was conducted over a full day, totaling 7 hours of detailed discussions and interactive case study analyses.

Assessment Results

Performance: Sarah performed exceptionally in the scenario-based exercises, where she applied the updated laws to various contract drafting and negotiation situations, showing adeptness and proactive legal thinking.

Comments/Feedback

Feedback: Sarah appreciated the depth of information provided and the practical application of recent case studies. She suggested more frequent updates and workshops like this to keep pace with the rapid changes in law and technology.
