Salutation:

Dear Ms. Morris,

Subject:

Social Security Income Verification for Housing Application

Body:

I am writing to provide verification of my income as required for my application to reside at Sunrise Senior Living. This letter serves to confirm my monthly income received through Social Security benefits, which is my primary source of financial support.

I have been receiving Social Security benefits since my retirement in 2020. My current monthly benefit amount is \$1,500. These benefits are deposited directly into my bank account on the third Wednesday of each month, ensuring consistent and timely payments.

In addition to my Social Security income, I receive a small pension from my previous employment at City Utilities, which amounts to \$300 per month. This pension is also deposited directly into my bank account, typically on the first of each month.

Conclusion:

The total of my monthly income, combining Social Security benefits and pension, is \$1,800. This stable income demonstrates my financial ability to meet the rental requirements of Sunrise Senior Living. Attached to this letter, you will find a copy of my Social Security benefit statement and a recent bank statement reflecting these deposits.

Should you require any further documentation or have additional questions, please do not hesitate to contact me at the above telephone number or email address.

Closing:

Warm regards,
