**Recipient:**

Mr. Charles Goodwin

Loan Officer

Community Savings Bank

123 Lending St.

Lakeview, LV 12345

**Salutation:**

Dear Mr. Goodwin,

**Subject:**

Verification of Income for Thomas Martin

**Body:**

I am writing to provide verification of income for my brother, Thomas Martin, who is applying for a personal loan through Community Savings Bank. As a family member who has been closely involved in his financial arrangements, I am well-acquainted with his income sources and financial stability.

Thomas has been self-employed as a professional consultant in environmental engineering for over seven years. His consultancy firm, Green Innovations, has a steady stream of income from various contracts with local government bodies and private sector companies. His gross monthly income averages approximately \$6,000.

In addition to his consultancy work, Thomas also owns and manages a small organic farm, which contributes roughly \$2,000 per month to his income. This secondary source comes from both direct sales at local markets and supply contracts with organic food stores in our area.

**Conclusion:**

Overall, Thomas's combined average monthly income is about \$8,000, a figure that has been consistent for the past three years. His financial discipline and diversified income streams ensure his capability to meet his financial commitments comfortably. Attached are copies of his tax returns for the past two years and six months of bank statements for both his consultancy business and farm income. Should you require any further information or additional documentation, please do not hesitate to contact me.

**Closing:**

Kind regards,

[Signature]

Jessica Martin

**Attachments:**

1. Tax returns for the past two years
2. Six months of bank statements for both income sources
